March 2019

Dear Community Leader:

As Gloria, a FIAG client, puts it, "Knowing that there is an organization out there to help me get to my destinations while meeting new people is just like having Heaven on Wheels." Without the wonderful volunteers of Faith in Action Georgetown, she would have to depend heavily on her close family, who may not always be available. Helping seniors remain independent for a better quality of life – that is what **Faith in Action Georgetown** does! As a volunteer organization, we provide the mobility for those who are no longer able to drive themselves.

In 2018, Faith in Action Georgetown hit **10,000 rides!** This would not have been possible without your support.

You helped contribute **16,381** hours of volunteer service to the Community and provided **10,773** rides and **756** other support services to local seniors in 2018.

Soon you will be contacted by a volunteer to ask for your support for our Spring Choral Concert by sponsoring an ad in the Concert Program. The concert is scheduled for May 9, 2019 at 7:00 pm at First Baptist Georgetown. This is our major fundraising effort for the year and your support is necessary.

We have various levels of sponsorship available depending on visibility throughout the year from Bass to Composer. New for this year is a Business Card Ad size available for \$300, giving you a chance to display your information. Annually, this event continues to grow with over 700 Georgetown residents, on average, for the past few years. Please consider the sponsorship options available and that the benefits can continue all year based on the publicity you would like to receive!

We'd love to have your support and feature you in our program. The deadline for inclusion is **April 12, 2019**. Our organization is a 501(c)(3) charitable organization and your contributions are **tax deductible** and used to support services right here in Georgetown.

Thank you for your consideration.

Sincerely,

A handwritten signature in black ink that reads "Vickie".
